Dear Dr/ Sir/ Madam,

At each ICON Conference several competitive events are held to showcase and reward the best work in the field of oncology.

This refers ONLY to ICONs new initiative specifically for young radiation oncologists and MD Radiotherapy PG students (please visit www.oncologyindia.org or email iconconferences@gmail.com for the full list of ICON Conference related information).

Welcome to the ICON Radiation Therapy Unit Master Plan Competition.

This is being coordinated by **Dr JP Agarwal, Dr Vivek Bansal and Dr SP Shrivastava.**

Anyone who is registered and studying for MD/DNB in Radio Therapy or has completed MD/DNB in Radio Therapy within the last five years can apply to take part. They should also be citizens of India and they must be currently working/ located in India. Being a member of ICON is also required. Membership application can accompany the competition application.

The project report is for setting up a Radiation Therapy Unit that shall cater to a drainage area population of one million (ten lakh) population in a Tier 2 city. The project report should include the following headings:

1. Equipment and instruments
2. Space and its utilization
3. Manpower optimization
4. Academics including research
5. Vision, Mission and Strategy to achieve them
6. Collaboration and Integration with existing healthcare services and society
7. Compliance - regulatory and licensing
8. Economics - Cost, returns and break-even

The application must include a structured executive summary using the same headings (as above).

Scoring of eligible applicants and their submissions will be done by independent panel of senior radiation oncologists and shall give equal weightage to each of the about eight points.

Only those project reports/ competition applications that meet minimum criteria (based on panel of independent senior radiation oncologists) will be shortlisted and qualify for presentation during the competition session – which is scheduled on Friday 13th September 2019 from 12 noon onwards at Ahmedabad.

There will be three prizes (and certificates): First prize will be Rs 15,000/-, Second prize will be Rs 10,000/- and Third prize will be Rs 5,000/-.

Benefits of qualifying for the ICON Radiation Therapy Unit Master Plan Competition (for all applicants whose application is accepted for entry into the competition)

1. Certificate of participation
2. Publicity on ICON website and associated URLs.

Candidates/ applicants shall have to make their own travel and accommodation arrangements.

Being a member of ICON is mandatory for participation. (Annual membership Rs 750/- and Life Membership Rs 7500/-). [Conditions Apply – contact purvish1@gmail.com for details / clarification] You can submit membership fees alongwith this application.
